CIRCULATION

ADULT FICTION.....	2049
ADULT NON-FICTION.....	1530
JUVENILE FICTION.....	2376
JUVENILE NON-FICTION.....	1224
TOTAL	<u>7179</u>

The Library circulation has fallen considerable during the last two years while we were going through the inconveniences of the construction of our much needed addition. Temporarily we lost space and became more crowded than ever, also we had to drastically curtail our service to the school. As of the first full week in 1976, we moved into the top floor of the new addition, moved the children's section into much larger space until their own room can be completed and the circulation desk has been moved giving the staff a much needed work area. We hope now to be able to service the town for all their Library needs.

Three hundred and sixty-six books were added to the Library collection during 1975. We received one hundred and fifty books as gifts and the remaining two hundred and sixteen books were purchased either through our book purchasing co-operative or through various book sales. We received gift books from the Akehurst family before they left for Australia and they sent us three new books to add to the Australia collection after they arrived back home. We also received gift books from Barbara Grant, Marian Welch, A. W. Moffat, Sr., Edith Keough, Dolly Jacobs, Amy Dillenbeck, William Grant, Margaret and Vanessa Illife, Mildred Comfort, D. Everett Palmer, Sue Dillenbeck, the Tuthill family, Phillips Exeter Academy Library courtesy of Mary Thomas, Pilgrim Church Nashua courtesy of Elaine Tuttle, June Armstrong, Katherine Webster, Lucy Blodgett and some anonymous donor who has sent us a number of National Geographic Books. Besides books, we have a number of persons who are donating magazines.

A substantial portion of our book budget was spent for a 1976 edition of the Encyclopedia Britannica. The funds for this came from the 1975 book budget although we didn't receive it until early in January of 1976 so it is not included in the 1975 new book count.

The Friends of the Library have contributed much to the funds for the new addition and raised more than \$5,000 during 1975. Marian Welch was chairman during most of 1975 and was succeeded by Ann Smith at the fall meeting. It would be impossible to thank all of the individual Friends who have contributed of time and effort but my personal thanks to each and every one of them.

Library hours were changed this fall to try to serve the public to better advantage. New hours are Tuesday and Thursday 1:00 to 5:00 p.m. and 6:00 to 8:00 p.m., Wednesday 1:00 to 4:00 p.m. and Saturday 1:00 to 5:00 p.m. this only increased the hours by one hour but hopefully more convenient having slightly later evening hours.

Special emphasis should be given to our most avid reader, Laurie Fiske, a second grader, who takes out over twenty books a week, returns them on time, having read all of the books. She is now reading well over second grade level. These books are not taken out during her class period here but out of school hours.

Beside the Librarian the Library staff consists of June Armstrong, Assistant Librarian, Sally Head, Staff Assistant and Priscilla Prescott, substitute. Sally Head has started working toward her Public Library Technique Certificate at the University of New Hampshire.

I wish to thank the members of the Public Library Trustees, the Social Library Trustees, the Building and Finance Committees for the addition and all those persons who have contributed time and money to our project. Great progress has been made.

Respectfully submitted,
Lucy C. Blodgett, Librarian

EXETER AREA VISITING NURSE ASSOCIATION

The Exeter Area Visiting Nurse Association, Inc. is a Community Health Service providing health care to individuals and families in their place of residence or in ambulatory care settings for purposes of preventing disease and promoting, maintaining or restoring health or minimizing the effects of illness or disability.

The nurse gives care and treatments as ordered by each person's physician, assists with the rehabilitation of persons of all ages, handicapped or ill with various conditions or illnesses. The nurse instructs designated persons in giving necessary care between nursing visits, teaches families and individuals good nutrition and understanding of special diets, accident prevention and how to cope with illness; advises new and expectant mothers in the care of themselves and their babies; provides Tuberculosis and psychiatric follow-up and refers when appropriate to other agencies.

The Physical Therapist establishes and supervises a program to return each person to his maximum potential, working under a plan established by each patient's own physician.

The Home Health Aide works under the supervision of the Registered Nurse or the Registered Physical Therapist. She provides personal and unskilled care to patients, such as baths and exercises, does light housekeeping and meal preparation.

The Association provides: 1. The service of a Home Health Co-ordinator to the Exeter Hospital to assist in planning the continuing care of patients in their home after leaving the hospital. 2. A Well Child clinic twice monthly for physicals to infants and pre-school children of eligible families and immunizations. 3. Sponsors screening programs in co-operation with the N. H. Department of Public Health. 4. Blood Pressure clinics for Senior citizens. 5. Flu Vaccine clinics for Senior citizens.

The Exeter Area Visiting Nurse Association is a Medicare and Medicaid certified agency.

Information may be obtained by calling the Exeter Area Visiting Nurse office Monday through Friday, 8:00 A.M. to 4:00 P.M., telephone 772-2981 or writing to 17 Prospect Avenue, Exeter, N. H. 03833.

REPORT OF THE FOREST FIRE WARDEN
AND DISTRICT CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

REPORT OF THE REGIONAL PLANNING COMMISSION

The commissioners of the Southeastern New Hampshire Regional Planning Commission have consistently indicated that the most important function of the Commission is to assist the member towns in their planning efforts. The staff of the Commission has helped the Kensington Planning Board draft many of their proposed regulations. This includes those adopted by the town at the last town meeting and those proposed at this year's meeting. The staff of the Commission has also assisted to a lesser degree the Conservation Commission and other town agencies.

Another function of the Commission is to review for the federal government certain federally funded projects to avoid inappropriate or redundant expenses. In this connection the Commission recommended that the Bureau of Outdoor Recreation help finance the town's new pavilion at the recreation area.

It has been the opinion of the commissioners since 1973 that the proposed nuclear power plant in Seabrook was not in the public interest. This position has been reiterated several times by vote of the commissioners and this view has been presented at several public hearings. If, as is possible, another refinery is proposed in a neighboring town the Commission can be expected to take a strong look at it on behalf of the town.

The Commission has completed many comprehensive studies of the area, including such things as land use, sewer and water, recreation, etc., which are available to the public.

Submitted by Seth Perry

STRAFFORD ROCKINGHAM REGIONAL COUNCIL

The Council is an organization which encompasses our Regional Commission and the adjoining Southern Rockingham and Strafford Commissions. It was created in part to co-ordinate the commissions' activities with each other and with state and federal agencies. It also is making a study of the emergency medical care services available in the area. It expects to have a quantitative and qualitative report of these services in April, along with a plan for improving them.

ANNUAL REPORT: PLANNING BOARD

With the passage in 1975 of an ordinance restricting building on wetlands the town has taken another long step forward in protecting the quality of the Kensington environment. Informed observers who live out of town generally agree that our Town Planning Ordinances help to make Kensington particularly attractive to people considering where to live in the seacoast area.

A copy of the Town Planning Ordinances is being delivered to you together with this report. Please save it—and read it!

One of the most troublesome problems the selectmen face is enforcing the Town Planning Ordinances. Many violations are simply the result of ignorance of the laws contained in the ordinance booklet. Before you buy or sell land or build or alter any structure whatever or start a landfill or gravel pit or move or abandon a trailer be sure to get out the booklet and read the laws that apply.

You will be saving everyone a lot of trouble and helping to keep Kensington the very special and attractive town that it is today.

We cordially invite everyone who has a question or a problem to come to the regular meeting of the Planning Board on the first Thursday of each month at 7:30 P.M. in the Town Hall or to contact one of the members of the board at any time.

Respectfully submitted,
Richard F. Brinckerhoff, Chairman

KENSINGTON VOLUNTEER FIRE DEPARTMENT REPORT

1975 proved to be one of the most tragic years in Kensington. Three lives were lost in a house fire. This points up the need in our homes and places of public assembly of detection equipment for early fire detection. Also a need to make our buildings as fire safe as possible. The fire department will be glad to help in any way we can to make your home fire safe, with inspection and information.

During the year the department spent 416 man hours in fighting fires and 500 hours in training.

AMERICAN REVOLUTION BICENTENNIAL COMMITTEE REPORT

On June 15, 1975 the second event of Kensington's American Revolution Bicentennial Celebration took place with the observance of the 200th anniversary of the Battle of Bunker Hill. We were fortunate in having wonderful weather and also splendid co-operation from the members of the committee, the Police Department, the various organizations and the citizens of the town. The program commenced in the Universalist Church with the re-enactment of an event that took place soon after the Battle of Lexington and Concord in 1775 when Captain Winthrop Rowe entered the pulpit of Parson Jeremiah Fogg and requested volunteers to march to Cambridge to be ready to fight at Bunker Hill. Mr. Emmons Sanborn and Gustave Lambert did a wonderful job in the portrayal of Captain Rowe and Parson Fogg respectively, also the singing of the Junior Choir under the direction of Mrs. Lydia Lambert and Mrs. John Sargent with Mrs. Mildred Chase at the organ was outstanding. Mrs. Edith Keough was chairman of the committee that arranged this program.

Immediately after the exercises at the church in the presence of probably the largest gathering of people to ever assemble in Kensington, including national, state, county and local officials, we were awarded the National Bicentennial Flag immediately in front of the Town Hall.

Upon completion of the flag raising and speeches by the invited dignitaries, a parade was formed under the direction of the Kensington American Legion Post 105 with Commander Arthur Wiggin and Gerald Easson as Marshalls. The Dover and Seabrook Militia units and the Groveland Color Guard and the units from town were very colorful. The march of the parade was South on the Main Road up Trundlebed Lane to the Town Park where a large granite monument was dedicated with appropriate honors to those who served in the American Revolution.

Other events in 1975 included the ringing of the church bells and the hanging of the lanterns in the belfry of the Congregational Church on the evening of April 18, commemorating the ride of Paul Revere. The above event was under the direction of Commander William Hale of the Sons of the American Legion assisted by Gary Easson and James Hale. The bells were also sounded on June 17 in honor of the brave men who fought at Bunker Hill.

On May 17, Kensington was represented at the John Stark Day Parade in Manchester by four of our young male citizens, namely William Tuthill, David Buxton, Donald Dubois and Dale Willoughby under the supervision of Mrs. Nora Tuthill assisted by their mother's who make their boy's uniforms. At this event Mr. Donald Ilsley answered the roll call of towns that sent men to Bunker Hill.

On July 3rd and 4th, 1976 the last event of Kensington's observance of our Nations Bicentennial will take place with a Colonial Dance at the Legion Hall on the evening of the 3rd followed by the ringing of the bells at midnight and as long after as anyone cares to participate. The events on the 4th will commence with an old Colonial Church Service at the Congregational Church followed by the reading of the Declaration of Independence by Emmons Sanborn, thereafter a parade will form and march to the park where a chicken barbecue will be served under the direction of the Kensington Volunteer Fireman's Auxiliary, followed by a cake cutting contest arranged for the school children by Mrs. Marie Eaton.

While the plans for the afternoon are incomplete at the present time and whereas space will not permit the listing here of all activities under consideration the following have already been agreed to by the committee: To conduct an Old-Time Family Day with various games and contests including a baseball game and games and contests pertaining to the Revolutionary Period also exhibits of old tools and artifacts, musket salutes following the reading of the names of our Revolutionary Soldiers, singing and music of days gone by, also many other activities that are now being studied.

The committee invites anyone with suggestions to offer to do so immediately, we also wish to thank the citizens of the town and all organizations that have helped to make the 200th anniversary of our nations birth a success.

Respectfully submitted,
Herbert L. Eastman, Chairman
Bicentennial Committee

KENSINGTON RECREATION COMMISSION

Kensington residents can be proud of our town park, and more and more of our townspeople and children are enjoying its facilities, whether it be to watch a softball game, have a family or group picnic, or use the playground equipment.

Fall finally saw the completion of a 30' by 48' open pavilion for the park using Federally matched funds. It is hoped that the shelter provided by the pavilion will further increase park usage.

A Climber and "Back-Hoe Digger" were added to the Children's Playground established by the Matthew Brewer Memorial Fund and the account closed.

A \$100 gift was gratefully received from Waldo M. Hilliard which will be used in a future project.

In June the American Revolution Bicentennial Commission held exercises at the park and dedicated a stone tablet to the memory of Kensington men who served in the Revolutionary War.

In the summer Sandra Brewer, assisted by Sally Brewer, offered a program for 20 preschool children on Wednesday afternoon. The Recreation Commission again sponsored a Red Cross Swim Program for 60 children, directed by Mrs. Barbara Carter and held at Paul Kimball's pool.

Special thanks also to the Kensington Snowmobile Club who built a large outdoor fireplace and who provided care of the grounds all summer.

It is hoped that all of our citizens, young and old, will take pride in our park and help to prevent vandalism and keep it clean and attractive. We owe a debt of gratitude to several people who have given freely of their time and labor to develop a town park, at a minimum cost to tax payers, which we can all enjoy.

The year 1975, the town of Kensington had the same amount of automobile accidents as in 1974. And for the fourth year in a row, we did not have any accidents resulting in fatalities. Myself and my other officers, believe that our use of radar surveillance and increased patrols, was somewhat responsible for this town not to have any accidents resulting in fatalities.

In the past year, we also saw a decrease in the criminal activities in our town. I believe that by having a marked cruiser and having unscheduled patrol time, played a role in the reduction of the criminal activities in the town of Kensington.

I would like to express my appreciation for the co-operation the Police Department has received from all the Citizens of the Town of Kensington. My thanks to the Board of Selectmen, State Police, Rockingham County Sheriffs Department, Police Departments in bordering towns and their Citizens, who have helped us to keep Kensington a safe town to live in and travel through.

This year, goals have been established to continue and increase unscheduled daytime, weekend and night patrols.

Respectfully,
Paul E. Steeves, Chief
Arthur Wiggin, Jr.

REPORT OF THE SUPERINTENDENT OF SCHOOLS
Frederick B. King
Kensington School District

New evidence to back up the frequently heard charges that students' mastery of the basics of education is deteriorating was revealed recently by the National Assessment of Education Progress. I will not allow the "basics" to go "adrift" here. Due attention has been given to strengthen students backgrounds in the basic subject areas. A recently released English-Spelling and Handwriting guide will give teachers the necessary "content" for teaching these skills. This has been prepared by our own staff committees and reflects hard work and a great deal of insight into our needs. Composition and other forms of writing ability will be stressed. Carol Graves of this school chaired the committee and has spent much time in working on these new skills. She will continue to follow up and refine the guide so it will indeed be a practical tool to the curriculum in the language arts.

The "new math" remains fundamentally sound, although the impact hasn't lived up to expectations. Computational skills in arithmetic and algebra are needed but we also must make way for computers and calculators to receive increased emphasis in the future. I think the evidence shows great gains in mathematic insight and understanding by the pupils. This along with our "skills" check sheets at each level should provide for a strong program.

Reading continues to occupy a large part of Kensington's major efforts. Every attempt must be made to insure that every student reads as well as his potential will allow. Phonics is with us in our new program efforts and I look for reading scores to be on the rise. Strong comprehension and related "study skills" must be emphasized in the middle grades. The identification of all important skills will provide better pathways for teachers to travel in meeting adequate instructional performance levels in reading.

The pendulum seems to be swinging back, as it has a way of doing. Appropriately along with basic education is a renewed interest in stressing good character building as a part of values and humanizing education. I feel the school has responsibility for being a part of the programs to train our children to examine values more carefully.

The maintenance of normal and responsible discipline as a routine, every day basis is still a major focus of this administration. Competent teaching, even handed and intelligent administration along with thoughtfully formulated policies and regulations at each of our building levels are the cornerstones of success to bringing about reasonable student conduct. Even though from time to time some sensational cases of school problems reach the press, these are a small minority because basically most students are well behaved and follow acceptable rules of our society in their daily lives.

The Kensington School works hard at all of these elements. The classroom teachers, aides, Carol Graves and the Principal, Mr. Fitzpatrick in his reports has mentioned in more detail about his school program.

"The programs of the Kensington Elementary School continue to work towards the successful implementation of continuous progress education. Interest in mastering specific skills in mathematics and reading has been stimulated by the conscientious effort of the teachers to use quality instructional materials.

Pupil response to instruction indicates that the children are motivated and are growing intellectually.

The curriculum has been organized so that the children in grades 3-6 have a departmentalized program for social studies and science. The creative areas of the curriculum are given special emphasis during the Friday class schedule.

A bi-weekly mini-course program providing for activity centered instruction in the content areas has continued to draw the interest of the children and members of the Kensington community as well.

The addition of Miss Mary Hogan, first year teacher, Miss Jill Pennington, art teacher and Mrs. Nancy Dutremble as assistant teacher, has brought new personalities and ideas into our school.

Through participation in a special Title I program we now have the services of the Project Assist Resource Team available to the pupils of Kensington. A program providing for Speech Therapy has also been instituted in response to requests from the "community."

I could discuss budgets, school statistics, and buildings but everything points to having a well defined set of goals that leads to a complete educational program to serve every child's needs. From languages to sciences, from history to art, each area has its place in the "total" education of the student. Your continued support through approval of the school budget indicates your continued concern for the highest quality of education possible. To this end I pledge to continue my efforts in the constant search to up-grade our schools and make fiscal responsibility a reality in getting "our dollar's worth" each day of each educational year.

REPORT OF THE BUSINESS ADMINISTRATOR
Daniel C. Durgin

March is a critically important month because it is during the month of March when most of New Hampshire's school districts hold their annual town and school meetings. Decisions reached at these meetings often have far reaching implications and decisions of a financial nature always have a direct impact on property taxes.

Speaking specifically of the School District Meeting, perhaps the most important question before the voters each year involves the school budget for the succeeding year. I fear that many people view the budget as a financial document that is only indirectly related to the education of the districts' children. Nothing could be further from the truth. The School Budget, if properly formulated, should represent the educational plan of the School District translated into dollars. The budgeting procedure in all districts of Supervisory Union #16 is designed with this in mind.

Rather than simply building on the previous year's budget, our process involves what is becoming popularly known as "zero budgeting". This new concept has been the basis for our budgeting process for many years. It requires fresh thinking and careful planning by all staff members and discourages the practice of building on the previous years budget merely because "we have been".

The budgeting process begins in September at the teaching staff level. Budget requests are entered on special forms designed for the purpose and are submitted up through the normal administrative channels where they are screened at each level. All non-routine requests, require written justification outlining such considerations as need for the item or items being requested and what is hoped to be achieved by their purchase. Requests for new programs and/or additional staff are also submitted on special forms which ask for complete justification and require evaluation of the cost versus the educational benefit.

After all educational requests have been carefully reviewed at all levels concluding with the S.U. #16 Central Office Administration, the budget forms are turned over to the Business Administrator for inclusion in the first draft of the proposed budget. The Business Administrator is responsible for drafting the final budget which will include many other costs such as salaries and related expenses (fringe benefits, Social Security, Retirement), insurance, transportation, tuition, utilities and payments on any outstanding debt.

The completed draft of the budget is then presented to the School Board for review, modifications and approval before being presented to the voters for finalization. In some districts, budget committees also play a significant role in the process replacing the School Board as final authority before presentation to the voters.

Although not required by law, each school district in S.U. #16 holds at least one public hearing on the budget prior to district meeting. This gives the citizens of the district the opportunity to hear the budget explained in detail and to ask questions and offer comments relative to the proposed budget.

Frequently the attendance at these hearings and even the district meetings is poor. These are your meetings and you have a major role to play. Please make every effort to take part in this most important process.

CONDUCT
BUS REGULATIONS

1. A pupil shall enter the bus, sit down, and remain seated until the bus stops at his destination. The driver may assign definite seats to students if it is felt necessary.
2. A pupil shall enter and leave the bus by the front door, except in an emergency. Pupils may not reboard the bus if they leave. There will be no stops to procure food, mail, etc.
3. There shall be no smoking on the bus.
4. Any pupil whose conduct endangers the physical or moral safety of the others may lose his privilege of riding on the bus. This includes throwing anything on the bus or through the window, and keeping aisles free from boots, lunch boxes, and other objects. Fighting and fooling on the bus will not be tolerated.
5. Pupils who must cross the road after leaving the bus should cross in front of the bus and on signal of the driver.
6. Pupils at home must be ready to take the bus when it arrives. Drivers will not ordinarily wait for pupils who are not ready.
7. The bus driver should report the names of students who violate bus regulations to the Principal concerned. Bus driver, however, should disembark the student at his regular stop. A student reported for a violation is subject to suspension from the bus and/or school at the discretion of the school Principal.
 - A. Depending on the situation, the Principal and/or Assistant Principal may:
 - (1) Discuss the incident with the student and warn him of the consequences of any further offenses.
 - (2) Phone and/or write the parents of the student, informing them of the incident and possible future loss of bus privileges.
 - (3) Remove the student from the bus for a period up to five days and inform the student's parents by letter (copy to Superintendent of Schools and notification of School Board by phone). Suspension, however, shall not begin until the next school day following the day of notification of suspension is sent to the pupil's parent or legal guardian.
 - (4) The parent or guardian of a pupil who has been denied the right to ride a school bus for disciplinary reasons may appeal within ten days of suspension to the authority that suspended the pupil's right.
 - (5) Until the appeal is heard or, if the suspension of the student's right to ride the school bus is upheld, it shall be the parent's or guardian's responsibility to provide transportation to and from school for that pupil for the period of suspension.
 - B. If a student becomes involved in another bus offense after having been once removed from the bus, the Principal and/or Assistant Principal may remove the student for a period up to twenty school days. Any suspension which lasts beyond twenty school days must be approved by the School Board.
 - C. Any subsequent offenses by a student will result in his prompt removal from the bus and referral of the matter to the Superintendent of Schools and/or School Board with the expectation that bus privileges may be lost for the remainder of the school year.
8. Only those children eligible to ride school buses are to do so, and they are to ride only on their assigned buses.

9. There shall be no exceptions for school children ineligible for transportation unless a doctor's statement shows medical need for transportation.

Rules - Adopted 1/9/75

School Board, Kensington School District, Kensington, N.H.

TO THE SUPERINTENDENT OF SCHOOLS

During the past year routine health screening measures have been carried out on all students in addition to special testing as requested by the staff. I have provided classroom instruction in areas of hygiene, safety, nutrition, family life and first aid at appropriate grade levels, and continue to work as a resource person for teacher-originated health units. I have tried to meet individual health needs of students by providing health counseling when appropriate and acting as a liaison between the school and outside diagnostic facilities when necessary.

Once again our school was fortunate to be able to participate in the State sponsored dental program. Also, thanks to the support of the local PTA, all students were offered a chance to take advantage of a dental cleaning and fluoride treatment clinic last spring.

I have continued to take courses and attend workshops to fulfill requirements for school nurse certification.

I would like to express my thanks to the volunteers who have helped with the School Health Program. I would also like to express my appreciation to the School Board, Superintendent of Schools, Principal Richard Fitzpatrick, members of the Staff and Dr. John Tuthill, School Pediatrician, for their continued help and support.

Respectfully submitted,
Vinie Scamman, R.N.
School Nurse

RECORD OF THE 1975 SCHOOL DISTRICT MEETING
KENSINGTON, N. H. - MARCH 1, 1975

The Annual School District Meeting was called to order by the Moderator, Horace Gourley, at 7:30 P.M., who read the warrant. Rev. John Akehurst offered an appropriate prayer which was followed by the Salute to the Flag by those assembled.

Article 1: To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the School District.

Leslie Briggs moved that the salaries remain the same. The motion was seconded by Clark Jacobs. The vote was in the affirmative.

Article 2: To hear the reports of Agents, Auditors, Committees or officers heretofore chosen and pass any vote relative thereto.

Charles George moved to pass over Article 2. The motion was seconded by James Russell. The vote was in the affirmative.

Article 3: To see if the District will vote to authorize the employment of an Assistant Superintendent for the schools of Supervisory Union #16, as provided in RSA 186:11, XXII and XXIII, effective July 1, 1975 and to raise and appropriate the sum of \$1,701.00 as Kensington's share of the salary, travel, retirement, FICA, health insurance, clerical assistance and office equipment.

Herbert Eastman moved to indefinitely postpone Article 3. The motion was seconded by Robert Batchelder. Gordon Swift asked the School Board's opinion of the article. Charles George responded. Discussion by Myrtle Gourley, Mr. Thorndike and Leslie Briggs. Permission was given for Daniel Durgin, Business Manager of S. U. #16 to explain the duties of the people in the superintendent's office. Richard Short, Teacher Consultant of S. U. #16 and a resident of Kensington also spoke. The vote was in the affirmative.

Article 4: To see if the School District of Kensington will vote to adopt a plan for extending to employees of the School District of Kensington the benefits of title II of the Federal Social Security Act (Old Age & Survivor's Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated amended by Chapters 301 and 332 of the Laws of 1955, such plan to be effective July 1, 1975.

John Sargent moved that we accept Article 4. The motion was seconded by Mildred Sargent. Harry Steeves asked for an explanation of the article. Mr. Daniel Durgin was again given permission to speak and explained Article 4 along with Articles 5, 6, 7 and 8. The vote was in the affirmative.

Article 5: To see if the School District of Kensington wishes to exclude from the plan services in any class or classes of positions filled by popular election.

Myrtle Gourley moved that we accept Article 5. The motion was seconded by Mrs. Thorndike. The vote was in the affirmative.

Article 6: To see if the School District of Kensington wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

Marilyn Palmer moved that we accept Article 6. Sally Head seconded the motion. The vote was in the affirmative.

Article 7: To see if the School District of Kensington wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration for each service is less than fifty dollars (\$50.00).

Priscilla Schweizer moved that we accept Article 7. Marilyn Palmer seconded the motion. The vote was in the affirmative.

Article 8: If a plan for Social Security coverage is adopted, to see if the School District of Kensington will authorize the School Board of Kensington to execute on behalf of the School District of Kensington the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the School District of Kensington will designate the Superintendent of Schools of Supervisory Union #16 as the officer to be responsible for the administration of the plan.

Carol Sargent moved that we accept Article 8. Terrie Steeves seconded the motion. The vote was in the affirmative.

Article 9: To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payments of salaries for School District officials and agents and for the statutory obligations of the District.

Charles George moved that we raise and appropriate the sum of \$325,210.00 for the support of the schools. James Russell seconded the motion. The vote was in the affirmative.

Article 10: To choose Agents and/or Committees in relation to any subject embraced by this Warrant.

Mr. Thorndike moved that we pass over Article 10. The motion was seconded by Marilyn Palmer. The vote was in the affirmative.

Article 11: To transact any other business that may legally come before this meeting.

Leslie Briggs moved that the School District of Kensington go on record as supporting the appointment of Fred King as superintendent. The motion was seconded by Clark Jacobs. The vote was in the affirmative.

Robert Batchelder asked for an explanation of the duties of the teacher aides at the school. Principal Richard Fitzpatrick stated that the aides always work under the direct supervision of a classroom teacher. Marilyn Palmer also commented.

Herbert Eastman thanked Principal Richard Fitzpatrick for the co-operation of the school with the Bicentennial Committee. Applause for Mr. Fitzpatrick.

Clark Jacobs moved that the meeting be adjourned. The moderator adjourned the meeting at 8:00 P.M.

INFORMATION FOR KENSINGTON RESIDENTS LICENSING OF DOGS

Each owner of a dog 3 months old or over must register the dog with the Town Clerk, before May 1st. Each dog over 3 months must have received a "rabies vaccination" certificate of vaccination to be presented to the Town Clerk at time of licensing. Each dog must wear a collar around its neck; attached to said collar a metal tag distinctly marked with its register number.

License fees are as follows: Male and spayed female - \$2.00; female - \$5.00. Kennel licenses are available for owners of 5 or more dogs; \$1.00 penalty if not paid by June 1st.

DISPOSAL AREA REGULATIONS

The operating days and hours of Kensington Town Dump are from 8 A.M. to 5 P.M. Saturday and 8 A.M. to 12 P.M. Sunday. The Dump is for Kensington residents only. Dead animals or fowl must not be brought to the Dump. No fires will be set at the Dump by anyone but the custodian of the Dump. Anyone setting fires other than the custodian will be dealt with severely.

JUNK CAR REGULATIONS

A recent New Hampshire Statute requires anyone with two or more unregistered or old cars no longer intended or in condition for legal use on highways or used auto parts equal in bulk to two vehicles must obtain a license or be subject to a \$10 a day fine and a mandatory injunction to end the violation by the selectmen or city council. New and used car dealers registered as such are not considered auto junk dealers but must remove any junk cars from their premises within 160 days.
